

Daniel Rontal, M.D.

In 2005, Dr. Daniel Rontal joined The Rontal Clinic. Dr. Rontal attended the University of Pennsylvania for medical school and completed his training in Otorhinolaryngology at the University of Michigan. Dr. Dan Rontal is broadly trained in all areas of Ear, Nose and Throat.

While he continues to treat the full breadth of Ear, Nose and Throat illness, Dr. Dan Rontal has become a recognized destination for patients with more complex problems of the nose and sinuses. These include nasal obstruction, sinusitis, decreased sense of smell and taste and tumors of the nose sinuses and pituitary gland. His academic accomplishments have included research in inner ear embryology and tissue engineering for surgical reconstruction. He continues to advance the field with

clinical trials directed at improving outcomes from sinus surgery.
